

# JAXForms Training

A one-week, on-site, hands-on training to provide you with the knowledge you need to get the most out of JAXForms.

## What you get:

- A one-week, on-site, hands-on training to provide you the knowledge to get the most out of JAXForms.

## Benefits:

- Trainings are highly customized according to your needs.
- Trainings are hands-on courses: usually the first 2 days are spent on an in-depth course of JAXForms and XML Schema; the remaining 3 days are dedicated to getting your project started on the right track, creating the most sensitive forms.
- Get your training directly from JAXForms specialists.
